Re: U.S. Patent No. 11096252 — Response to Assertion of Infringement

Dear Counsel,

We acknowledge receipt of your correspondence asserting infringement of U.S. Patent No. 11096252 (the "11096252 Patent"). 4. Litigation History of the Patent

Public records reflect that the 11096252 Patent has been the subject of the following litigation, which informs our view of the asserted claims and your client's enforcement posture:

- Ledup Manufacturing Group Ltd v. Seasonal Specialties LLC — 26-1714 · Court of Appeals for the Federal Circuit · filed 2026-04-21 · Open
- Seasonal Specialties, LLC v. [Defendant Not Specified] — 2:23-cv-06318 · U.S. District Court for the Central District of California · Filed

• Unified Patents, LLC v. Seasonal Specialties, LLC — IPR2024-01258 · U.S. Patent and Trademark Office, Patent Trial and Appeal Board · Final Written Decision Issued

3. Request

In light of the foregoing, we request that your client (i) provide a detailed claim chart identifying each accused product or service and mapping every limitation of each asserted claim, (ii) identify any prior art known to your client, including any references cited during prosecution or reexamination, and (iii) substantiate the basis for any damages or licensing demand. We are prepared to discuss the matter further once we have received and reviewed the foregoing.

Sincerely,
