Re: U.S. Patent No. 11419823 — Response to Assertion of Infringement

Dear Counsel,

We acknowledge receipt of your correspondence asserting infringement of U.S. Patent No. 11419823 (the "11419823 Patent"). After preliminary review, we have substantial concerns about the validity, enforceability, and scope of the asserted claims, summarized below. We reserve all rights and defenses.

1. Subject Patent — Summary

As a senior US patent analyst, I have reviewed the provided documentation for US patent 11,419,823. While I cannot perform a live search of the USPTO database or CAFC dockets, the provided patent text contains the necessary information, including litigation history.

4. Litigation History of the Patent

Public records reflect that the 11419823 Patent has been the subject of the following litigation, which informs our view of the asserted claims and your client's enforcement posture:

- Veloxis Pharmaceuticals AS v. Zydus Cadila et al. — 1:26-cv-00467 · Delaware District Court · filed 2026-04-23 · Open

3. Request

In light of the foregoing, we request that your client (i) provide a detailed claim chart identifying each accused product or service and mapping every limitation of each asserted claim, (ii) identify any prior art known to your client, including any references cited during prosecution or reexamination, and (iii) substantiate the basis for any damages or licensing demand. We are prepared to discuss the matter further once we have received and reviewed the foregoing.

Sincerely,
